### **FDNC Financial Aid Policy**

FDNC values enrolling children and adults thirsty for nature connections who for financial reasons would not otherwise have the opportunity to participate. Toward that end we have established four financial assistance programs.

#### **1) Sliding Scale Tuition**

The actual cost of attending Flying Deer Summer Camp is indicated by the high end of the sliding scale. Parents are encouraged to pay the actual cost. However, if a family cannot afford it, they may choose to pay anywhere within the range.

#### **2) Financial Aid**

Each season a limited amount of financial assistance is available through our fundraising efforts for families with financial need. Parents may apply for these funds via the financial aid form.

#### **3) Payment Plan**

Individuals who are able to pay full tuition, but cannot do so in a lump payment, may be able to establish a two-part payment plan through communicating by phone with office staff.

#### **Financial Aid Process:**

1. All completed forms received by deadline are sent to Financial Aid committee for review and determination.
2. The FDNC Financial Aid Committee is comprised of board members who review forms and make a determination of need based on information given. Applicants receive notice within approximately 3 weeks of application deadline.
